CSU Extension 4-H in Boulder County
Policies for Success
2017-2018

The current Colorado State 4-H Youth Development Policies supersede these policies. They can be found on the Colorado 4-H website. Counties may set stricter policies than the State Policies. We expect all 4-H members and their families to be familiar with both our local Boulder County 4-H Policies, as well as the Colorado State 4-H Policies.

This policy document is intended to cover the non-competition related policies of 4-H in Boulder County.

Logos, Names and Emblems
Only 4-H clubs, enrolled 4-H members, and leaders may use the 4-H name and emblem (the 4-H Clover.) with approval of the 4-H Extension Agents. If you plan to use the 4-H Name and emblem please contact the extension office with your plan prior to printing or use.

5. Boulder County Printing requires two weeks lead time, a minimum of 100 pages, and the request to be sent in a digital format.

2. Groups must utilize the Clover building rooms first before seeking availability of these rooms.
3. Only special events or those meetings grandfathered in (i.e. Horse Leaders Council) are eligible to use these rooms.

Independent Membership
Boulder County 4-H does not permit independent membership. The 4-H Youth Development program is an opportunity for CSU Extension to provide an educational environment for the positive development of diverse youth to enable them to realize their full potential. The 4-H club is the foundation of this environment. Therefore, all 4-H members are required to enroll in an official 4-H club.
Cloverbuds
It is neither the intent nor the objective of the 4-H Cloverbuds program to duplicate the 4-H member experiences that are designed for older 4-H youth, nor to create a “mini-4-H” concept. While the 4-H Cloverbuds program is a component of the overall 4-H Youth Development Program and 4-H Cloverbuds members are recognized as 4-H members for the purposes of enrollment, they are considered to be in a special membership category with regard to program and policy. As a result, the 4-H Cloverbuds Program is fundamentally different than general membership in 4-H.

1. 4-H Cloverbuds members participate in occasional, non-competitive, sampler-type, age-appropriate, properly supervised events or activities sponsored by 4-H groups.
2. 4-H Cloverbuds members should not have ongoing projects of any kind. Cloverbuds only enroll in the Cloverbud Project.
3. 4-H Cloverbuds may not handle animals, firearms or equipment of any kind.
4. 4-H Cloverbuds do not conduct formal business meetings, elect officers, or handle finances.

Volunteers
The volunteer leader is the heart of the 4-H program. A leader serves in a multitude of roles. These range from working at the club level to supervising other volunteers at the county, regional or state level.

All 4-H volunteers will: (check volunteer agreement with state.)
1. Fill out a volunteer application form including references on 4-H Online
2. Undergo a national background check
3. Complete their enrollment on 4-H Online on an annual basis
4. Sign and turn in a paper 4-H leader enrollment form on an annual basis
5. Complete online trainings required by Boulder County 4-H
6. Comply with federal, state and local reporting and accountability requirements, including 501(c)3 non-profit, fiscal, EEO/Affirmative Action, etc.
7. Serve at the request of CSU Extension and that request can be withdrawn at anytime for any or no reason
8. All volunteers absent from 4-H for one year or longer will be required to re-apply and complete all new volunteer requirements
9. Comply with the 4-H Code of Conduct
10. Authorized volunteers are protected from liability under the Governmental Immunity Act (24-10-101CRS et seq). Liability protection is provided only for actions within the scope of responsibility and as long as such actions are not willful and wanton. The performance of any “job” or in any position must be for the benefit of, or at the request of, and under the supervision of the state.
11. Transfer of a volunteer leader from one county to another requires approval from both counties

Boulder 4-H has six formally organized groups of adult and youth volunteers who serve in advisory roles to the 4-H staff. Their counsel is sought in determining priorities and content for program development. They assist with the carrying out the 4-H mission. The CSU Extension 4-H Advisory Committees in Boulder County include:

- Dog Advisory Committee
- Horse Leaders Council
- Adult Advisory/Leaders Council
- Livestock Advisory Committee
- Shooting Sports Council
• Youth Council
• HEGAC Committee

Each of these committees maintains their own set of bylaws which include membership policies for voting and associate membership. Please review the bylaws of each specific committee if you are interested in joining.

Chaperoning at 4-H Events
Please see separate Chaperoning Policy Document. Chaperons must be at least 21 years old.

Alcohol
The Colorado 4-H Youth Development Program has no tolerance for the possession or use of alcohol or other illegal drugs at youth events. 4-H prohibits the unlawful distribution, dispensation, possession, or use of controlled substances, illegal drugs, and alcohol by youth or adults. (refer to State Policy)

4-H Driving Policy
1. Youth may not drive passengers to out-of-county 4-H events without written permission from the parents of the driver and passengers. A specific form can be obtained from the Extension Office and must be completed and returned prior to the driving.
2. Youth who drive to an event must receive permission from the 4-H Agent or 4-H Leader in charge to continue use of the vehicle during the event.
3. All drivers must be in compliance with State of Colorado laws, including but not limited to: a valid driver's license, adequate insurance and seat belt use. Furthermore, it is expected that any vehicle used to transport 4-H members is maintained so that it is "safe and reliable" for the conditions, weather and distance in which it is to be driven.

Complaints:
Any complaint seeking restitution or compensation to a 4-H member must be presented in writing (on the appropriate form) and accompanied by a $50 deposit made in cash or by cashier check to the Extension Office within 24 hours of the event. The complaint must state the name of the exhibitor, the exhibit or event in question, and the specific reason(s) for the complaint. The burden of proof resides with the party filing the complaint. The $50 deposit will be returned if the complaint is upheld. The deposit will be forfeited to the CSU Extension 4-H Program in Boulder County if the complaint is not sustained. Complaints will be considered by the responsible 4-H Agent and/or the appropriate 4-H Advisory Committee. Decisions of the agent and/or program committee are final.
